2nd Edition of AIP South to
plan their Stalls.

About the Event

Welcome to **All in Print South-2024, 2nd Edition** an integrated business platform showcasing the latest in Printing and converting technologies for printers, converters, and print buyers mainly from South India.

Indian Printing Industry-A snapshot

- ✓ Over 2,50,000 MSMEs and large printers throughout India.
- ✓ Standing tall, the Indian Printing Industry is expected to exceed US \$250 Billion by the Year 2024.
- ✓ New Technology innovations, increasing packaging differentiation for focussed group buyers, and continuing shift to just-in-time production are some of the key drivers of the printing industry.
- ✓ Evolution of e-commerce has created a demand for printing methods that combine speed, volumes and standardization.
- ✓ Packaging applications are among the major sources of demand for production printers.
- ✓ Product differentiation has led to better packaging solutions which have increased great printing opportunities.

The Organizers

TELANGANA OFFSET PRINTERS ASSOCIATION - (TOPA) With the formation of India's youngest State - Telangana, the Printers of all Districts of Telangana State came under one umbrella and formed the **Telangana Offset Printers Association (TOPA)** Hyderabad. Already recognised as one of the most active printing associations in the country, it strives to take the Printing and Packaging industries to greater heights in business development and customer satisfaction with the active cooperation and participation of all members.

HYDERABAD INTERNATIONAL TRADE EXPOSITIONS LIMITED, popularly called as HITEX, was established in 2003 by State Government under public-private partnership with a vision to create a world class venue for organizing and hosting trade fairs and events which have socio-economic relevance to the city and the state. With 3 state of the art and column free Halls of each 3500 Sqm, 30,000 Sqm of paved display area and 52,000 Sqm of open ground. **HITEX Exhibition Centre** is at par with international standards. Over the years, HITEX has been a host to 1500+ national and international trade fairs, events and exhibitions and has organized its own events which contributed to the development of trade and commerce in the State & Country.
